Heads up Alan/Dale – Clay Rogers called me this morning on another topic and I mentioned this letter to him. He said he would be happy to sign it when it was ready. He noted that he would ask you or Dale, so I thought I'd send you a note.

Hello Alan,

I just left you a voice message. Our letter and comment matrix will be sent out on Monday, and I will make sure R5 gets a copy. After several internal discussions we agree, and would like to take you up on the offer to send a comment letter on the Alon AE application. This will make the record more clear, rather than trying to merge your comments with EPA's. I will be working most days during the holidays if you have any questions, please let me know. Thanks again for all your assistance!

Sincerely,

Michele
